

HOW CAN I HAVE MY HOUSE CHECKED FOR MOLD?

The Health District does not have a program for mold problems. The State of Ohio does not have any laws or standards set for mold. The Health District has a packet full of information about mold and mold issues. It contains cleanup suggestions and a list of private contractor's that can come out to your home and test for mold. Please contact the Health District at 937-374-5606 or 1-866-858-3588 to obtain a copy of the mold information packet.
